

Be In The Know – October, 2026

Happy International Credit Union Day

It's time to celebrate International Credit Union Day! Thursday, October 15th, marks the anniversary of the global recognition of credit unions and their unique place in the financial arena. The credit union is where you belong. It exists to benefit you because you are a member-owner. That means any profits are returned to you in the form of better rates and improved services. Because your credit union is a financial cooperative, you can trust the credit union is on your side, not that of a few shareholders who are only interested in the bottom line.

As a token of our appreciation for your membership, loyalty and friendship, we have a little gift for each member who stops by the Credit Union office the week of October 12 through 16, 2026. (One per member/while supplies last.)

Christmas Club Festivities Update

We will be hosting the Christmas Club Party celebration this year due to several unforeseen circumstances. The Christmas Club checks will start being handed out in the Credit Union on November 5th. The Credit Union will be decorated for the merriment, and for members picking up their checks on November 5th or 6th in the Credit Union, you will receive a festive treat and your handmade ornament (while supplies last).

How To Reactivate Your Dormant Accounts

Are you planning to do some financial spring cleaning this season? Then there's no better time to take stock of any old accounts that may have fallen by the wayside. If you have an account that's been inactive for over a year, it is considered dormant and could actually be costing you money.

1. Make a deposit into your Primary Share (Savings) Account or set up Direct Deposit

Thank You Vets!

November 11th is the day set aside to honor our veterans, but every day is a good day to thank our veterans for their service. Our men and women in uniform make it possible for us to enjoy our freedom and way of life, and for that, we owe them a debt of gratitude. We also need to thank our veterans' families who sacrifice so much while their loved ones are protecting our freedom.

Whether they have served their country honorably during war or peacetime, our veterans are our heroes. Make it a point to thank your friends and family members for their service. And when you spot someone in uniform or wearing a baseball cap or jacket identifying a branch of service, be sure to extend your gratitude and best wishes.
